OREGON

Member: American Association of Nurserymen
Oregon Association of Nurserymen

NOMENCLATURE

To avoid any confusion in varietal names, we have attempted to follow "Standardized Plant Names" in our nomenclature. For the convenience of those who prefer the use of the common names, they are printed immediately following the botanical name and are listed in the index on the inside back cover.

LOCATION

Our office and warehouse are located 13 miles west of Portland. Drive out Sunset Highway to Cornell Road junction then 3 miles west on Cornell. Five miles east of Hillsboro on Cornell.
